BURSARIES

The Hamilton and Alexandra College is committed to promoting opportunities for boys and girls of excellent character who will make a significant contribution to the life of the College and beyond as future citizens.

For all Bursaries, families will be required to demonstrate that their present and likely future financial circumstances would not allow them to finance their children's attendance. Families will be asked to complete a confidential financial questionnaire. This would include copies of recent taxation returns, statement of assets and liabilities and a Statutory Declaration attesting to their financial position and indicating their interests in Trusts, Companies and Partnerships.

In assessing each application, weight is given to the range of a student's achievements, with particular reference to:

- Strong academic merit: boys and girls applying will have good reports and references from their school. **EduTest** results will be considered, if available.
- Character and leadership attributes: boys and girls will demonstrate ability to lead and a ready willingness to participate in a variety of educational and College related activities.
- Strength in co-curricular and citizenship activities: boys and girls will demonstrate their participation, service and achievement in one or more of the following College activities; sport, drama, music, visual or performing arts, service learning and outdoor pursuits.
- Confidential financial questionnaire

A family's financial status would need to be confirmed annually to ensure that the Bursary continues to be awarded on the basis of financial need.

The recipients of the Bursary will receive a reduction in fees. This is discussed at the meeting with the Principal.

Administrative charges and other fees will still be payable. A copy of the current fee schedule is included for your information.

Applicants for a Bursary should arrange for the following to be submitted:-

1. **The Bursary Application Form – the “Personal Particulars” section is to be completed by the applicants themselves.**
2. **A copy of the most recent school report from the applicant's current school.**
3. **A Personal Reference – the applicant should look outside of both school and family for completion of this document.**
4. **A current passport photo of the applicant**
