Dear Parents and/or Guardians

Following the Premier's announcement this afternoon, Victoria will enter a seven-day lockdown commencing 8.00pm tonight. Please note the following plans have been put in place.

Key operational points:

1. Prep to Year 12 will transition to our continuous Remote Learning Program (RLP-6.0) tomorrow. Please encourage your child(ren) to check their emails and/or TEAMS for any communication from class teachers. Please note we have re-activated our Remote Learning Coaches will be to follow up on any disengaged students.
2. Supervised spaces for students remain available at both the Junior and Senior School for students deemed vulnerable, with special needs and/or where both parents are authorised workers as per the last lockdown. Please note only government buses will be operational. Please contact Mrs Linda Archer admin@hamiltoncollege.vic.edu.au should you wish to access this support and/or bus arrangements prove problematic.
3. The Boarding Houses will remain open for any boarder desiring to stay over the next seven days. Mr Monk is currently making arrangements for all boarders wishing to return home.
4. Our Early Learning Centre remains open.
5. There is no After School Care available.
6. Unfortunately, all sport and music rehearsals this next week have been cancelled.

I understand this news is frustrating, however I remain confident that we can successfully pivot into our continuous learning program tomorrow. Years 7-12 were briefed in Period 6 and have taken home their learning resources. Mr Nelson wrote to all Myrning families this afternoon and the students have taken home their laptops so that they are ready for home learning in the morning.

I wish to acknowledge the sterling work of staff and your support and patience once again. If you have any concerns, no matter how small, please call me via my Assistant, Linda Archer on 03 5572 1355.

Yours sincerely

Dr Andrew Hirst
