In this sample you will see that the teacher has already made one interview.

As a parent, you can cancel an interview by clicking on the  icon. However, there would be an expectation that you will follow this up by making an alternative booking or contacting the teacher to discuss your child's report. In some cases, you may find more than one teacher has requested an interview at the same time. If this happens you can cancel and then reschedule your interview times.

To request an interview with a teacher, use the drop-down box **Select Student**, to choose which child you would like to make a booking for.

The following will appear for the selected child. This lists the subjects for which you can make an interview request. Actual details will be different for each Parent Teacher Interview run.
