

MATHEMATICS TEACHER

Commencing Term 1, 2023

The Hamilton and Alexandra College is a proud regional, independent, co-educational, day and boarding school from Early Learning to Year 12. The College is fiercely aspirational, and everyone is known, valued and challenged. College is proud of its rich history of strong academic accomplishment matched with connectedness in life.

The College has a future focused academic program that nurtures and develops the growth of the whole child, providing opportunity to pursue and develop passions and to achieve the highest standard of which they are capable of. Small class sizes are prioritised and the community of staff and parents work together for the best possible outcomes for every student.

POSITION

A full-time or part-time permanent position is available commencing Term 1, 2023 – depending on the experience and availability of the applicant.

An attractive remuneration package commensurate with the responsibilities of the position. Generous relocation allowances will be offered to experienced teachers with demonstrated VCE success. Children of teaching staff educated at the school receive considerable remission off tuition fees. Leadership and coaching opportunities exist for qualified applicants.

The successful applicant will be expected to teach at a range of year levels and will be:

- a committed and enthusiastic Mathematics teacher who possesses specialist knowledge and a willingness to work closely with colleagues and students to achieve their personal best outcomes.
- keen to join a strong team of specialist Mathematics teachers.
- able to teach in their subject area at a range of year levels, from Year 7 onwards.
- VCE classes may be offered to the successful candidate and previous VCE teaching experience may be an advantage. The nature of the candidate's skills will determine exact areas or levels of teaching in the Senior School.
- determined to continue students' high levels of achievement in both internal and external testing.
- aware of modern trends in education and willing to utilise technology in their teaching. Some experience with CAS may be an advantage.
- Be fully qualified and registered to teach in a Victorian School and have VIT teacher registration or interstate equivalent. Applicants must also have a full and up to date police check and be compliant with the College's child safety standards.

This position reports to the Head of Mathematics.
